CAMPUS PRINCIPAL APPOINTMENT

I am very pleased to announce the appointment of Richard Dungey to the position of Senior Campus Principal. Richard is currently Assistant Principal at Traralgon College which is also a multi campus school. He is very experienced and has had a stint as an acting Primary School Principal last year.

SCHOLARSHIPS

There are various scholarships available to support students who will be continuing secondary school or attending university in 2020. Applicants are encouraged to apply for as many scholarships that they may be eligible for. A detailed list of scholarships is at the back of the newsletter.

MOBILE PHONES IN 2020

On 26 June 2019, the Minister for Education, the Hon. James Merlino MP, announced a new mobile phone policy for every government school in Victoria.

The new mobile phone policy comes into effect from Term 1, 2020, and requires that students who choose to bring mobiles phones to school must have them switched off and securely put away during school hours.

The role of technology

We live in an exciting and technology-rich world and mobile phones are an important modern-day communication tool. The school acknowledges that access to a mobile phone by children is important to many of our families in providing a sense of safety for their child while travelling to and from school, and for confirming or changing after school arrangements.

Managing the impact of mobile phones

Mobile phones often create disruptions and distractions in classrooms. Establishing a 'mobile phone free zone' helps teachers to establish and maintain a focused and productive teaching and learning environment.

Research has found that mobile phones can be disruptive in classrooms and open to misuse at school (e.g. accessing inappropriate content, cyberbullying, and unauthorised photography). Additionally, research shows that the unregulated presence of mobile phones in classrooms can undermine students' capacity to think, learn, remember, pay attention and regulate emotion. A summary of recent, relevant research is available on the Department of Education and Training's website.

At recess and lunchtime our school also values the opportunity for students to communicate with each other face-to-face or be involved in activities rather than being focused on a device, particularly when using the device to engage with social media.

The new policy does acknowledge that technology is increasingly impacting the way in which students learn and communicate. Therefore, when a student has been given explicit permission to access and use such devices to enhance learning by the classroom teacher, mobile phones will be permitted for that specific purpose.

Emergency situations

In the event of an emergency or if you need to contact your child, I ask that families contact the staff in the campus offices who will pass on a message as needed. The school acknowledges that this new policy may require some adjustments. As such, I ask for the support of all our families, staff and students in its implementation.

Art & Design Exhibition 2019

Congratulations to our artists, designers, singers and musicians!

The annual Mill Park Secondary College Art & Design Exhibition was officially opened on Wednesday 13 November at the City of Whittlesea Council "Great Hall" in South Morang. The exhibition was viewed by students, parents and teachers from the college and the local community.

Attendees at the opening night, were not only inspired by the outstanding VCE art and design work on display, but also by the highly creative garments produced by the Fabric Design Technology students and the talented musicians who performed their original compositions as part of the College Kool Skools CD launch.

Thank you to College Principal Ms Trish Horner for officially opening the Art & Design Exhibition and launching the CD and Arts/Design Technology staff for their outstanding input to make it a success. Parents and staff for showing their support for the students throughout the year and attending the annual Art/Design Exhibition.

Congratulations to all the student exhibitors and staff who contributed to this year's Art & Design Exhibition. A special thank you to the following staff:

Visual Arts: Anita Burum, Tracy Allendar, Kylie Wren, Jackie Wilson, Dianne Dickenson, Adele Ousilinis, Stephen Damen

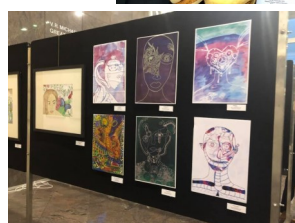

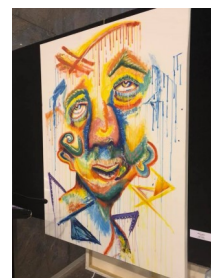

Design Technology: Karen Szitarity,

Food Technology: Chris Usher, Helene Johnston

Music: Wendy Nagel, Brett Gaskett, Emily Beck, John Milton, Serge De Leucio, Radha Claridge, Penny Bohan.

Student CD cover designers: Courtnee D and Chelsea K.

Congratulations also to students: Claudia A, Ethan C & Felix W, Skye S, Henry W, and Kerry Y who have been selected to perform their original songs at the **Kool Skools Awards Night** on Thursday 5th December - 6pm – 10 pm at the Thornbury Theatre, 859 High St Thornbury.

MY Campus Principals Report

MIDDLE YEARS CAMPUS EXAMS

Year 9 students have now completed their English, Science, Mathematics, Humanities and PE exams for 2019.

Once again students embraced the process and as a result, have gained valuable experience in preparing for and participating in examinations that we know can cause anxiety for some. Congratulations to all students who demonstrated their commitment to their own learning and gave each exam their best shot.

Thank you to the teachers involved in preparing and correcting exams, as well as all staff involved in diligently supervising these exams. I am confident that our students will enter their Year 10 exams in 2020 at the senior campus with much more confidence of what to expect having participated in the experience this year.

All students will receive feedback from their teachers on their performance and exam grades will be included on the end of year reports.

CAREERS DAY

On Tuesday 26 November all Year 7 & 8 students participated in a Careers Education session where the students discovered more about what the world of work looks like. They investigated the skills they already have and how these skills can be used in the future, when looking at career pathways. A huge thank you to Ms Kate Clinton (Senior Campus Careers teacher) and her team of Senior Campus staff for delivering these valuable sessions to our Middle Years Campus students.

Middle Years Campus Report

Ernst & Young Excursion

The Year 8 students were invited to visit the Ernst and Young building in Melbourne to learn about careers for the future. Ernst and Young is a company wired to help other companies become bigger and better.

Their four categories of support are tax, advisory, assurance and transaction advisory services. Whilst we were there we learnt about many things needed for the workspace including; developing social skills, communication skills and different possible career options we may choose to pursue in the future.

Whilst we were there our mentors gave us a tour of the office. They showed us the different types of desks and rooms they used including booths, normal desks, sit-stand desks and bookable rooms for meetings. They also had two cafes, kitchens on each floor and a gym. The view outside the building was breathtaking. From the building, we could see the MCG, the beautiful beaches, the Atrium, Rod Laver Arena, AAMI Park, the train line and many other exceptional things that could be seen from different sides of the glass building.

We participated in a range of activities including; the drawing game and Simon says, both of which involved communication and listening skills. We also participated in the ranking job autonomy activity where we had to rank jobs based on whether they require human interaction or could be completely autonomous. It was a lot of fun participating in those activities, some of the tasks showed us things that would help us be successful in the future.

It was a very fun and enjoyable experience for us and we would definitely recommend the Ernst and Young ABCN program and we hope to visit again one day!

Interschool Sports

Our Interschool Sport is now wrapped up for the year with our last teams having competed in their NMR final events. Well done to the Year 8 boys cricket team, the Year 7 girls basketball and Year 7 girls volleyball team, who all worked hard and competed so well in their competitions that took place over the past few weeks.

We also offer a huge congratulations to all of the students who tried out and participated in, or helped out in sporting events throughout this year. From the students who participated in athletics carnival and tried out for teams to the students and teams who represented our school at state finals this year, we appreciate the tremendous effort that was put in to representing our school in such a positive way.
