

SECOND HAND TEXTBOOKS

Parents & students are able to buy and sell second-hand textbooks and other student resources through our store at **5 Miller Street Epping**.

(OPENING HOURS: MON-FRI 9am-5pm, SAT 9am-12pm, SUN closed)

HOW IT WORKS:

Customer's books are taken on consignment only.

No cash is given until books are sold.

Books are paid out at up to one third of the RRP.

Customers must return to the store within the school year to collect money owing for sold books and to pick up any unsold books.

Only current books are accepted for resale. **NO OLD EDITIONS**, stationery or calculators. Poor condition books will also not be accepted. Workbooks are only taken in perfect condition.

Due to the high volume of customers selling books each year, we **DO NOT** contact you once your books have sold. It is your responsibility to check the status of your sold textbooks **IN STORE ONLY (unfortunately we do not check the status of your sold books over the phone as the process can be lengthy and we have neither the staff nor the time to offer this service during our peak season)**.

It is strongly recommended customers get their books in for sale as soon as school has finished for the year and allow a minimum of 3 months from time of drop off before returning to the store to check if they have sold. From Dec - March are our busiest months and your books are most likely to be sold between these times.

Please note that any books left after the school year has finished will become property of Atlas and disposed of as seen fit.
