

## 2021 Instrumental Music Program

The Instrumental Music Program at Mill Park Secondary College offers students the opportunity to develop skills and knowledge about an instrument of their choice.

This includes voice, guitar, electric bass, drum-kit, keyboard, flute, clarinet, saxophone, trumpet and trombone at Year 7 – 12. This also gives them an opportunity to participate in College ensembles and music performances such as 'Song & Dance' Concert. We hope that your child will enjoy being involved in the Instrumental Music Program and develop a greater appreciation of music and the development of instrumental music skills.

### 2021 Instrumental Music Program Enrolment

All students who wish to participate in the program are required to complete the selections below and indicate their intentions for involvement in the Instrumental Music Program for 2021. This enrolment is required for all students who wish to participate in the program for 2021, even if they are currently having Instrumental Music lessons.

### Senior Campus Instrumental Music Program

It is highly recommended that students who have enrolled in Years 10-12 Music Performance subjects also enrol for instrumental lessons. This allows the extra benefit of a more individualised approach and will complement their studies in music. Depending on the subjects selected, some VCE students may benefit from having lessons for two instruments.

**Fees:** The fees per instrument in 2021 will be **\$105 per semester/\$210 per year**. Payment for the Instrumental Music Program must be made by **1<sup>st</sup> March 2021**, unless previous payment plan arrangements have been made. If paying per semester, 2<sup>nd</sup> semester payment must be made by **18<sup>th</sup> June 2021**.

Please note: Range of instruments and placement into lessons is based on staff availability.
