OUTSTANDING PERFORMANCE BY OUR STUDENTS

I am both proud and thrilled with the achievements of all Mill Park Secondary College students in 2020. This has certainly been a year of challenge and perhaps a year when we all have learnt more than ever before. Heartfelt thanks goes to the staff who absolutely stepped up to the plate and focused on what matters most – our students.

I also want to thank parents, caregivers, brothers, sisters and extended family members who worked in partnership with us throughout the year to support students with their studies. 2020 was a real team effort.

VIRTUAL ARTS FESTIVAL

The Virtual Art & Design exhibition was so outstanding I have asked for the link to be reopened so I could share it with you. Congratulations to Gina Palamara and her team – it is amazing how much work was completed in such an interrupted and remote learning year. Take a journey in our Art Gallery that would rival any gallery anywhere. Bravo staff and students!

CONGRATULATIONS ELIZABETH PARDALLIS

Congratulations to Elizabeth Pardallis who was absolutely 'spectacular' in her performance as part of the 2020 Victorian State Schools Spectacular event aired on Channel 7 on Saturday 5th December. What a star! Her performance showcased her talent and tenacity during a very challenging year.

Elizabeth was selected as one of the main vocalists and her rendition of "I Have Nothing" by Whitney Houston was amazing.

Amongst the many of the challenges this year has brought, Elizabeth had to rehearse and record at home and Elizabeth actually recorded the song whilst in her closet on her phone. With the assistance of her family, she recorded the visuals in her lounge room. They had to setup the video cameras and green screen, which were delivered to their home. "We had rehearsals on Sundays and we had to record them a few times. The first time I had to record my family assisted me and the second time with the assistance of Wayne from 'State Schools Spectacular' who was in charge of lighting, filming, and even putting effects of 'slomo' and using a fan to create the effect of movement".

Highlights – "It was a great new experience that I wouldn't have had if it wasn't for everyone who was involved, which was my family and the staff at Performing Arts unit at Spec"

Elizabeth indicated that outside of school, the Victorian State Schools Spectacular gave her some sense of normality. "It allowed me to connect with my passion of singing and connect with other people with the same passion outside of school". **Elizabeth**

She also found that being able to speak to the different professionals in the industry gave her an insight into the industry. "The vocal coach gave me advice and answered the many questions I asked about a music career". She felt that they were very supportive in a time when most people were working in isolation and needed to be connected.

We are extremely proud of you Elizabeth and thank you for stepping up to the role as the 2021 Mill Park Secondary College Performing Arts Captain. Well done!

Below is a direct link to the performance for those interested. Elizabeth's solo starts around 22 minutes and is well worth a watch: <https://7plus.com.au/2020-vic-schools-spectacular>

Campus Principal Report

Congratulations to all staff, students and families for making it through what has been the most unusual school year I can ever remember.

Our students have really had to use their character strengths of perseverance, self-regulation and hope to achieve what they have during unexpected periods of learning from home and learning online. As a college, we are so proud of our entire community for making it through to the end of the school year successfully.

We were able to celebrate these achievements on the Middle Years Campus by conducting a scaled-back version of our normal end of year awards ceremonies. Congratulations to all students who were acknowledged during these presentations for staying the course and achieving excellence consistently.

Below are a few images from each of our year level awards presentations:

YEAR 12 GRADUATION AND AWARDS

Traditionally Mill Park Secondary College holds their Year 12 Graduation and Awards ceremony after results are released at the end of the school year. This is not possible this year due to the late announcement of Year 12 results on 30th December. Consequently we are planning to hold a graduation and awards ceremony for 2020 Year 12 students in February 2021. This will need to be held on site at the moment and we are unsure of what restrictions may still apply with regard to parents attending or other activities on the night. If parents are not permitted to attend, we will run a live zoom of the event and record it also.

More details including the date and who is permitted to attend will be published late January 2021.
