2023 VET COURSE LIST

HOW CAN I STUDY VET?

The Northern Melbourne VET Cluster (NMVC) is a consortium of secondary schools that have joined forces to improve the provision of VET courses in the Northern Region of Melbourne. The NMVC has 54 member schools from the State, Catholic and Independent education sectors. NMVC member schools act as either 'home' or 'host' schools, which means you can enrol in a VET course offered by another school in the Cluster even if your school doesn't offer it.

WHAT NOW?

For more information about the courses listed please refer to the 2023 NMVC Course Handbook, available in print or online at nmvc.vic.edu.au, and/or speak to your VET Coordinator.
