Purpose

Mill Park Secondary College's Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All Mill Park Secondary College staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the School for student use (for example, a school camp).

Acceptable behaviours

At Mill Park Secondary College, staff, volunteers, contractors, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding the College commitment to child safety at all times and adhering to our Child Safety and Wellbeing Policy.
- treating students and families in our school community with respect in our school environment and outside our school environment as part of normal social and community activities.
- listening and responding to the views and concerns of students, particularly if they disclose that they or another child or student has been abused or are worried about their safety or the safety of another child or student.
- promoting the cultural safety, participation and empowerment of Aboriginal students, students with culturally and/or linguistically diverse backgrounds, including but not limited to students with a disability, international students, students who are unable to live at home, and lesbian, gay, bisexual, transgender and intersex (LGBTIQ+) students.
- ensuring, as far as practicable, adults are not alone with a student, and where necessary, that one-to-one interactions between an adult and a student are to be in an open space or in line of sight of another adult.
- only using school approved channels (Compass, Google Classroom and college email) to contact students for purposes related to classroom and school-related activities, and only during normal school hours unless there are extraordinary circumstances.
- reporting any allegations of child abuse or other child safety concerns to a member of the principal team.
- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our [Child Safety responding and reporting policy](#) and procedures and the [PROTECT Four Critical Actions](#).
- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm.

Unacceptable behaviours

At Mill Park Secondary College, staff, volunteers, contractors and member of our school community involved in child-connected work we must not:

- ignore or disregard any concerns, suspicions or disclosures of child abuse or harm.
- develop a relationship with any student that could be seen as favouritism or amount to 'grooming' behaviour (for example, by offering gifts).

- display behaviours or engage with students in ways that are not justified by the educational or professional context.
- ignore an adult's inappropriate behaviour towards a student.
- discuss intimate topics or use sexualised language, except when needed to deliver the school curriculum or professional guidance.
- treat a child or student unfavourably because of their disability, age, gender, race, culture, vulnerability, sexuality or ethnicity.
- communicate directly with a student through personal or private contact channels (including by social media, email, instant messaging, texting etc).
- communicate with students via a school mobile phone for a legitimate school activity or purpose, without prior Principal approval.
- photograph or video a child or student in a school environment except in accordance with the [Photographing, Filming and Recording Students Policy](#) or where required for duty of care purposes.
